LAST NIGHT IN INWOOD January 28 to February 12, 2023

A major disaster in Manhattan has everyone on the island looking for high ground. For Danny's family and friends, that higher ground happens to be her one-bedroom apartment in Inwood. As the world outside goes to pieces, Danny tries to keep the peace among the assorted characters gathered in her space. They might make it through this crisis, if they can manage to survive each other. The playwright of *The Glass Piano* returns to *The Lab* with a comedy about the end of the world - one of the hits of our 2021 New Plays for the New Year virtual reading series!
