THE PRESIDENT'S MESSAGE

BY GHARI SHIRLEY

Dear Students, Faculty, and Staff,

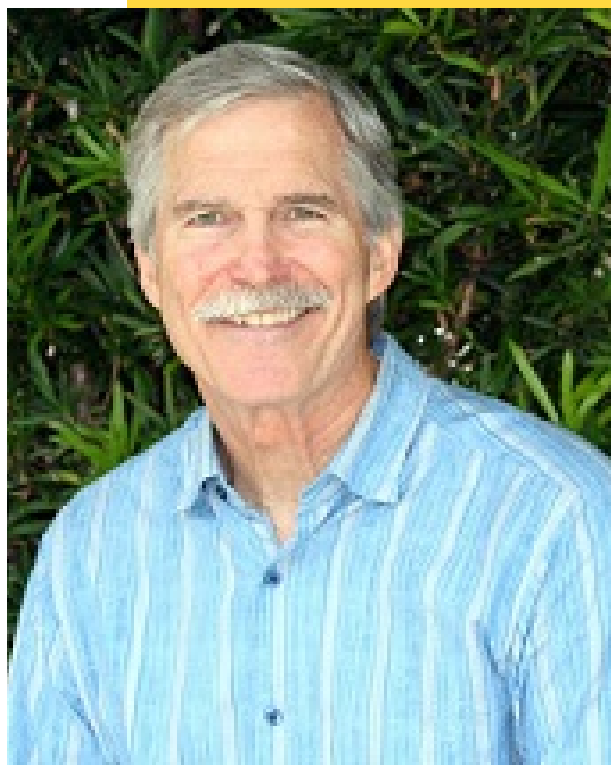

Thank you for taking the time to review our abbreviated newsletter for the 2021-2022 Fall Semester. I want to wish you and your families a Happy Holiday season, and I encourage you to use this break as an opportunity to make time for self-care. As President of the Beta Rho Chi Chapter of Chi Sigma Iota, I am deeply moved by the enthusiasm and support the chapter has received from the department. The overall intent of the chapter this year is to increase student participation and engagement, and the only way this is possible is to provide you with events and services that are relevant to your interests. Please continue to share your valued opinions with the board as we strive to meet your needs for the rest of the academic year!

Humbly,
