The Gangal Family Endowed Graduate Scholarship is a one academic year award. Funds will be disbursed in consecutive fall/spring or spring/fall semesters. To be eligible, students must be enrolled full time in the semesters when they receive the scholarship. Application is open to full-time master or PhD students in the College of Engineering and Computer Science who have a minimum 3.5 GPA. Applicants must be international students from India or students of Indian descent. Preference will be given to students studying biomedical engineering.

Applications must be submitted during the Fall or Spring semesters, after the second week of classes and before the last day of classes. Gangals non-profit Foundation would like to meet the candidates. Applicants must have not previously won this award.

*I authorize the release of this application and any relevant supporting information to persons involved in the selection of scholarship recipients.*

Applicant's Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Each scholarship application packet requires the following information:

- International student from India, or  Student of Indian descent (attach explanatory paragraph)
