What is an *outside resource*? An outside resource is any form of financial assistance you receive that is awarded based on your educational pursuit and is not processed through the University's Financial Aid, Controller, Foundation or Directed Research offices. **You must inform us of any outside resource you receive.**

What IS to be included on this form? Examples include a scholarship check made payable directly to the student, or support from an outside agency that will be covering educational expenses for the student in the form of direct reimbursement.

What IS NOT to be included on this form? Any resources which are processed through the University system, such as: Florida Pre-paid, Student Loans, Financial Aid Grants, Florida Bright Futures, FAU Tuition Exemptions, VA Educational Benefits, FAU Scholarships or Scholarships made directly payable to FAU or co-payable to FAU/Student.

Instructions: If you have any additional outside resources that cannot be processed through FAU Self-Service via MyFAU, use this form to enter the information below. Submit this completed form (including any attachments) to the FAU Office of Student Financial Aid for processing. (No faxes accepted.)

Aid Year	Name of Outside Resource	Fall Amount	Spring Amount	Summer Amount

REMEMBER: You MUST inform us of any outside resource you receive. Should it later be found that you are receiving outside resources which you neglected to report; your financial aid package will be adjusted retroactively to include these resources. This may result in you being required to repay previously disbursed financial aid.
