Old description with strike throughs:

School Leaders (K-12) Concentration (with certification)

The K-12 School Leadership Specialist with Certification concentration prepares aspiring teacher leaders and assistant principals to meet the challenges of today's public and private educational institutions. The program is designed for individuals who want to further specialize in education and school leadership beyond a ~~Master's Degree and who do not have a M.Ed. in School Leadership. Developed~~ in cooperation with Florida public school districts, the program of study is built on the four major domains that ~~the EDLRM~~ requires for leadership learning: leadership foundations, research foundations, professional knowledge and experiential learning. ~~To fulfill the requirements of the Specialist Degree program, students take coursework aligned to the knowledge, skills, and dispositions needed to be a school leader, program-provided seminars, and task-specific internship courses with curricula built to practice assistant principal-level activities in school-based clinical experiences.~~

~~The foundational knowledge base includes the basic tenets and principles of leadership. Leaders must develop well-rounded leadership skills, a capacity to envision the future and be able to find opportunities within and outside of their organization for the benefit of those they lead. The professional knowledge base includes the technical knowledge, specialized skills and ethical standards used to function in school leadership.~~

~~Admissions requirements into this program include three years of successful teaching experience and a sponsor commitment form from a school principal who is willing to sponsor and coach the student for three semesters of internship.~~

~~Completion of this program, degree, in combination with three years of successful teaching experience which includes and passing the Florida Educational Leadership Exam (FELE), leads to Florida Educational Leadership Certification (Level I), which qualifies an individual to serve as a public school assistant principal or principal in the State of Florida (depending on individual district requirements).-intern assistant principal, intern principal or interim principal. In addition to engaging students in world-class learning, the program, the program K-12 School Leadership Specialist with Certification Program incorporates the FELE Competencies and Skills. Florida leadership standards, competencies and skills that are measured through the FELE. The program is also aligned with the Professional Standards for Educational Leaders (PSELs) and National Educational Leadership Preparation (NELP) Program Standards - Building Level which align with the Council for the Accreditation of Educator Preparation (CAEP) accreditation and program review. It also complies with knowledge requirements specified by NCATE and ISLCC standards. Students who complete this program are prepared to sit for the FELE examination and must pass the exam in order to graduate. Florida ESOL requirements must also be satisfied prior to graduation.~~

Hi Bob:

I'm terribly sorry for this delay. I hope it's not too late. While my department doesn't see a conflict, it looks like both EDF 6918 (Action Research) and an EEX course were removed from the prior requirements. Perhaps this has to do with your grant requirements.

As I've said, my department sees no conflict, but we do want to express some our thoughts resulting from these proposals. Many of the topics in your curriculum proposals are also those that we address in our current courses, and are likely to address in our future courses as social justice is central to CCEI department's mission. While we agree that this work should be done across departments as they pertain to their field, we notice that questions about equity, race and class in instruction are being raised in the classroom context which directly overlaps with the work of my department. We hope that the presence of these topics on the syllabus does not become the basis by which our department's efforts towards the same goals will be objected to in future courses that we develop.

Additionally, as we accept new MEd in C & I students starting spring 2020, who will be needing the ELDRM courses in the Teacher Leadership Certificate, we would also like to know if your department would be open to including courses in our department on your list of program requirements in the future. We would really love to have this conversation with your department or relevant faculty to explore this possibility going forward.

All the best in the curriculum proposals!

Take care,

Best regards,
Hani
