~~This certificate is designed for professionals in the nonprofit sector who wish to take graduate-level courses to enhance their skills. Students will receive the certificate after completing four of the following six courses:~~

<del>Introduction to Nonprofit Management</del>	<del>PAD 6142</del>	<del>3</del>
<del>Public Policy and Nonprofit Organizations</del>	<del>PAD 6143</del>	<del>3</del>

~~The courses are normally completed within a three-semester time frame. Students must maintain registration during the fall or spring term for each of the academic years that the student is in the program. Any student not registered during one full academic year will be considered inactive. Participants must successfully complete the program with a grade point average of 3.0. Upon successful completion of the program, the student is awarded a certificate of completion.~~

~~A student can continue in the Master of Nonprofit Management program at FAU by applying for admission according to University procedures as outlined in this University Catalog. If admitted to the M.N.M. program, all certificate courses can be transferred, provided a grade of "B" or above is earned in each course.~~
