

Bachelor of Arts with Major in Liberal Arts and Sciences with History Concentration to Master of Arts with a Major in History

This combined degree program enables outstanding students to graduate with both a Bachelor of Arts with Major in Liberal Arts and Sciences with Concentration in History degree and a Master of Arts with a Major in History degree (B.A./M.A.) in as little as five years. The program is 150 credits (with thesis option) or 156 credits (without thesis option). Students complete 120 credits for the undergraduate degree and 30 credits (thesis option) or 36 credits (non-thesis option) for the graduate degree. Students complete the undergraduate degree first, taking no more than 12 credits of graduate coursework in their senior year, which can be used to satisfy requirements for both degrees.

Admission Requirements

1. Each applicant must be a declared History concentrator at Florida Atlantic University's Wilkes Honors College, with 60-90 credits completed toward the B.A. degree, including HIS 4971, RI: Honors Thesis in History or AMH 4970, RI: Honors Thesis in American History.
2. Applicants must have a minimum 3.25 GPA for the last 60 undergraduate credits attempted.
3. Applicants should have a minimum score of 155 on the verbal and a 4.0 on the analytical sections of the GRE. If the applicant has a GPA well over the 3.25 minimum, the department may consider the quantitative section for purposes of meeting the GRE criterion.
4. Applicants must demonstrate competency in at least one foreign language. To do so, applicants must complete one of the following two options:
 - a. Passing one semester at the intermediate level (2220) of a foreign language at FAU or the equivalent at another university as determined by the History Department's Graduate Committee.
 - b. Passing an equivalency exam at the 2220 level.
5. Applicants must submit two letters of recommendation, written by tenured or tenure-earning members of the Department of History or History professors at the Honors College.
6. Applicants must provide a writing sample as part of their application. This should be a term paper or lengthy essay.
7. Applicants must provide a two-to-three-page typed, double-spaced autobiographical statement indicating the nature of their preparation for graduate work and the reasons for seeking the combined B.A./M.A. degree in History.
8. Prospective applicants for the combined B.A./M.A. degree in History are encouraged to schedule an interview with the department's Director of Graduate Studies.
9. The application deadline is October 15 for Spring admission, and June 1 for Fall admission.

Undergraduate Course Replacements

In their senior year, students admitted to the combined degree program may take up to 12 credits of graduate coursework, which are then used to satisfy requirements for both degrees. This will be accomplished by substituting 12 credits of free elective credit at the upper division (3000- 4000- level) with HIS 5060: The Historical Experience, and 9 credits of additional graduate coursework with course prefixes of AMH, EUH, HIS, LAH, or WOH at the 5000- or 6000-level.
