## 2 YEAR FLIGHT PLAN

**Degree: Bachelor of Arts (BA) Major: Sociology  
(SOC)**

This flight plan is for students entering FAU's Sociology BA program who have transferred to FAU with an AA degree (60 credits) from a Florida Public Institution.

FAU is committed to your success as a student. One way we define student success is efficient and effective progression through your degree program.

This Flight Plan is a tool to assist you in planning the courses you should complete and the milestones you should reach during your undergraduate studies so you may graduate on time. It is our intention that you complete this planning tool *in collaboration with an academic advisor* to ensure good understanding of:

- Which graduation requirements you have satisfied
- Which Intellectual Foundations and elective courses match your career plans
- How to balance coursework with your other responsibilities (e.g., employment) and optional activities (e.g., mentored research, study abroad, student organizations, leadership)
- How to get the most from your academic experience at FAU

Year 3

Your advisor will help you identify what additional milestones apply to you, as well as how you may even graduate early or enter an accelerated graduate program. If you have any questions at all about your FAU Flight Plan, feel free to contact your advisor for assistance. Advisors are always here to help.

Term 1 (X ) Fall ( ) Spring			
Courses and Credit Hours		Milestones	Advising Notes
SYA 4010 Sociological Theory*	<b>3</b>	- Earn a grade of C or higher in all sociology courses	-Meet with Arts and Letters advisor -Meet with career center advisor for internship, career, and/or graduate school planning (see below for contact info) -Get Involved with Student Organizations (SSA, Sociology Student Association) --Consider adding a minor area of study, certificate program, or even a second major. The requirements of the sociology major allow students to complete a second major (using upper division electives) without exceeding 120 credits.  *SYA 4010 and SYA 4300 are required courses for the major. We advise completing both in the first year of study, but taking them in the first semester is not required. These courses are offered every fall and spring semester; they may not be available during the summer.
